EMPLOYEE MATCHING GIFT PROGRAM

TENNYSON CENTER for CHILDREN

DONATIONS TO TENNYSON CENTER FOR CHILDREN COULD HAVE AN EVEN LARGER IMPACT THROUGH YOUR EMPLOYER'S MATCHING GIFT PROGRAM!

ABOUT US

Tennyson Center for Children has served Colorado's most neglected, abused, and traumatized children since 1904. Tennyson provides a safe, stable home for children 5-18 who are facing critical circumstances and need residential care. We offer an accredited, therapeutic K-12 school and in-home and community services across the state to provide preventative services and therapy to strengthen families. In 2019, we began leading a statewide effort to provide earlier support to children and families, prevent families from entering child welfare, and to follow the children we interact with into adulthood.

HOW IT WORKS

Employee matching gifts are donations an employer makes to match its employees' charitable contributions. To find out how your employer can match your donation to Tennyson Center for Children, follow these easy guidelines:

After receiving the necessary information from your Human Resources department, please contact Tennyson Center for Children's Strategic Operations Manager Kara Angelini, at kara.angelini@tennysoncenter.org, in order to receive Tennyson's documents to complete the matching gift process.

3. SUBMIT DOCUMENTATION
