

# 2020 DENVER DINNER LIGHT UP THE NIGHT

OCTOBER 17, 2020 | 7:00 P.M. (MST) | VIRTUAL EVENT

**“Turning 18 was harder than I expected. I have more responsibilities, but I also have way more freedoms...For the first time in my life, I feel like I belong...For the first time ever, I have hope.” - Sammie**

You - our supporters and community - make moments like Sammie's possible. This year, our biggest fundraising and storytelling event is going virtual! Save your formal wear for another occasion as our virtual “Light Up the Night” themed Denver Dinner will take place from the comfort of your home – or anywhere you choose!

The 2020 Denver Dinner will be held on Saturday, October 17, 2020 at 7:00 p.m. (MST)! Our Light Up the Night theme focuses on bringing light into the darkness from which many Tennyson kids and families are emerging. It is a reminder that there is brightness and hope for these amazing individuals when the community comes together to support them.

Join us in building a brighter world for the future.
