

Case Study

# Warren Village

Impact Data: Jan 2019 - Dec 2019  
Financial Data: As of Feb 12, 2020

Tennyson teamed up with Warren Village to test a simple hypothesis: could combining Tennyson’s world class, community based therapy with Warren Village’s excellent support of low-income, single parent families – who are job and housing insecure – amplify impact for families?

The answer is a resounding, “Yes!”

# 100%...

...OF FAMILIES AVOIDED CHILD WELFARE

...OF KIDS REMAINED IN SCHOOL

...OF FAMILIES STAYED TOGETHER

= \$1,600 MONTHLY SAVINGS\* PER CHILD

SAVED\* PER CHILD FOR EARLIER INTERVENTION VERSUS LATER INTERVENTION
